

# STAY COOL BAG

by, armommy

*Head to the blog for more details - [www.armommy.com/blog](http://www.armommy.com/blog)*

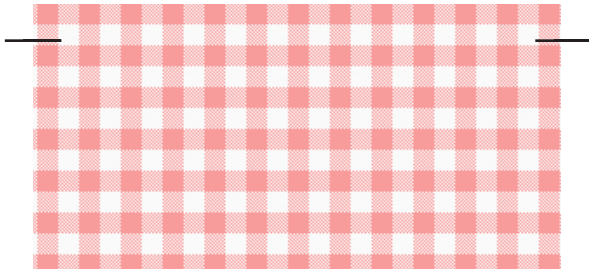

---

## SUPPLIES

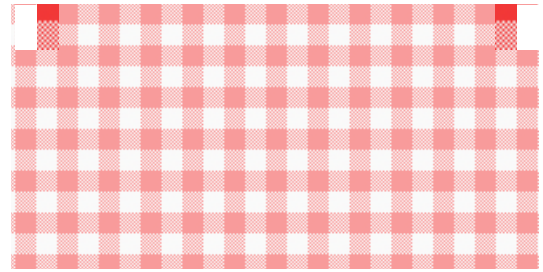

---

fabric, scissors, ruler, pencil, needle and thread or sewing machine, iron, ribbon, & safety pins.

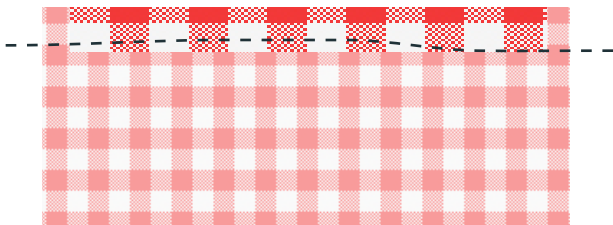

---

cut 18 inches of ribbon and  
a rectangle of fabric to 8x16.  
lay the fabric down, wrong side of  
fabric up and long ends at top & bottom.  
measure 1.5 inches down from the top  
corners and cut .5 inches in.

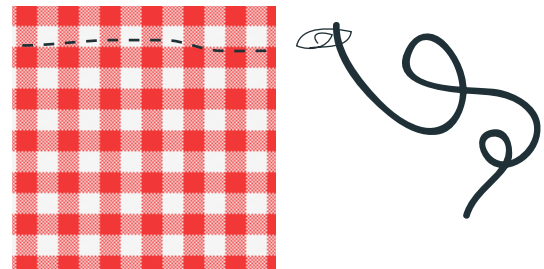

fold in the flap of fabric above each snip  
and iron in place.

fold the top flap of fabric over to the wrong  
side and sew using a running stitch  
to make a casing for your ribbon. (back stitch  
at beginning and end.)

with right sides together, fold the fabric  
lengthwise in half and sew a running stitch  
along the side and bottom to make a bag.  
(again backstitching at beginning and end)

turn your bag right side out.

fasten a safety pin to one end of your ribbon  
and thread through the casing in your bag  
until it comes out the other side.

remove the safety pin and your done!

fill with heat beating items,  
add a tag to your ribbon, cinch closed  
give to your friends!
